

Why be apart of Student Life ?

1. **You** become apart of your community and make new connections
2. **It's a great resume/scholarship builder!** College is not just about sitting in a classroom and taking test, it also has a huge impact on your personal and professional growth and development.
3. **Gives you something to be proud of!** Being in college is something to be proud of and so is being involved with your education- for example, by joining Student Government you get to use your voice and help decide how student fees are spent, what events to have on campus and to learn to be a part of a team.
4. **Being involved with** extra curricular activities has been proven to help student excel in their classes, internships and overall personal life. It provides students the opportunity be apart of something positive!
5. **It's fun!** At Trinidad State Valley Campus the events are family friendly, and any student can join a club, start a club or just come to an event. Plus the events and clubs are FREE.

Check it out! And **#EMPOWER** yourself to show TSJC how awesome you are!
